A PLEA FOR HELP!

To everyone who has supported Mary's Missions in any way—through prayers, kind thoughts, spreading the word, volunteering hands-on, or financial contributions—thank you!

Mary's Missions continues to provide Snack/Care Packs each month, including throughout the winter. Each backpack contains a hat, scarf (when available), mittens, a pair of heavy winter socks and regular socks, a comb, two washcloths, an emergency blanket, three rain ponchos, hand sanitizer, deodorant, a pen and notebook, and five food items.
We also provide twelve $10 McDonald's gift cards each month. Our Outreach Team leader has asked whether we could increase our monthly distribution by twelve additional Snack/Care Packs.
Each additional pack costs approximately $25. We hope to provide these extra packs during December, January, February, and March—a total of 48 additional packs at an estimated cost of $1,200.
If you or someone you know would like to help sponsor one or more of these additional packs, your support would be greatly appreciated.

We recognize that many of our friends already support Mary's Missions, and we are deeply grateful. This special appeal is also an opportunity for others in our community to become involved in this winter project.

A LITTLE BAG, A LOT OF CARING

Each snack bag is thoughtfully assembled with convenient snacks and necessities for individuals experiencing homelessness. It's a small way of showing kindness, offering a little comfort, and reminding someone that their community cares.

While our monthly Snack/Care Packs are an important part of our work, Mary's Missions continues to support several other local and regional needs. Each quarter, we provide cleaning supplies to an area daytime resource center, a facility offering daytime shelter to individuals experiencing homelessness. We also respond to requests for needed items from two Native American homeless shelters and provide ongoing assistance to veterans through the Veterans Administration.
Your generosity allows us to respond to these needs and help make life a little easier for many people in our communities.

With Gratitude to Our Supporters

To everyone who has supported Mary's Missions through your financial contributions, we want you to know how genuinely grateful we are. Your generosity makes it possible for us to continue providing food, clothing, personal care items, and other assistance to individuals and families in our community who are facing difficult circumstances.
We know that you have many worthwhile causes competing for your attention, and we never take your support for granted. Please know that we are not asking you to give more. We simply want you to understand how much your continued generosity means to us and to the people whose lives you help touch.
Thank you for being such an important part of the Mary's Missions family.
